

World Poker Tour

STATS has partnered with the World Poker Tour to create official statistics for each World Poker Tour event. Tournament entry, results and additional information will be recorded for each tournament, accounting for participant's results and success throughout the year.

Hand-by-hand coverage will also be recorded for the final table of each World Poker Tour event, allowing for in-depth statistics to be accumulated determining player rankings, luck and style.

World Poker Tour statistical information will be available in an XML feed.
